

Reginald D. Hedgebeth

*General Counsel
Spectra Energy Corp*

Reginald Hedgebeth is general counsel for Spectra Energy Corp. As chief legal officer, he is responsible for the company's legal department, office of the corporate secretary, ethics and compliance, regulatory affairs and government relations.

Hedgebeth joined Spectra Energy in March 2009. He most recently served as senior vice president, general counsel and secretary with Circuit City Stores, Inc., a role he assumed in 2005. At Circuit City, he managed the legal, procurement, compliance, regulatory and government relations functions.

Prior to joining Circuit City, Hedgebeth was vice president of legal for The Home Depot, Inc., where he provided legal support to the retail stores and various corporate departments including procurement, finance and treasury, construction, maintenance and energy management, information technology, call centers, store operations, vendor relations and global supply chain. He also supported The Home Depot's international operations in Canada and China.

Hedgebeth began his legal career as an associate at King and Spalding, LLP and prior to law school held various finance and real estate positions at GE Capital Corporation.

Hedgebeth is a graduate of Harvard Law School and Penn State University. He and his wife Michelle have four children.

Spectra Energy Corp (NYSE: SE), a *FORTUNE 500* company, is one of North America's premier natural gas infrastructure companies serving three key links in the natural gas value chain: gathering and processing, transmission and storage, and distribution. For nearly a century, Spectra Energy and its predecessor companies have developed critically important pipelines and related infrastructure connecting natural gas supply sources to premium markets. Based in Houston, Texas, the company operates in the United States and Canada approximately 19,100 miles of transmission pipeline, more than 285 billion cubic feet of storage, as well as natural gas gathering and processing, natural gas liquids operations and local distribution assets. The company also has a 50 percent ownership in DCP Midstream, one of the largest natural gas gatherers and processors in the United States. Spectra Energy was recently ranked by *FORTUNE* as the world's "most admired" pipeline company. For more information, visit www.spectraenergy.com.
